Work Experience

Jersey Mikes

November 27th 2021 - February 27th, 2022

Former employee of a chain sandwich shop. Collaborated with co-workers to form an efficient business, keeping it running smoothly, and kept communications good.

Leadership

Fitness Group

Member

October 2021 - Present

Organized, led, and taught workout sessions. Taught the exercises and its movements, and helped show proper form to prevent injury. Kept morale up and helped others achieve their goals.

Group Projects

Member

August 2018 - Present

Have been involved in several academic projects. Organized, constructed, and maintained a schedule for the groups to follow. Made sure that everyone was involved, helped keep us ahead of deadlines, and would receive A's for projects.
